This change is fine.

I suggest you send it to Andrews and ask them to (a) confirm their agreement to the change, and (b) substitute the new page with this new provision for the old page—you may need to adjust the bottom of this new page so it flows directly into the old subsequent page seamlessly. That way you can keep all the old signature pages and dates as they are.

Please copy me on your communication with Andrews. Thanks.

Subject: Hollywood Media District - Confidential Andrews Contract Revised WORK PRODUCT AND RECORDS

Dear Jeff:

Attached for your review is the revised Andrews contract with the section regarding Work Project and Records changed to reflect the same language as we wrote in the Universal Contract. Please refer to page 7. Yellow Highlighted section.

Let me know if this is acceptable so that I can have Laurie execute the contract today and then I will send it off to Andrews for their signatures.

Thank you
